

Veteran Visit Request Form

If you would like a veteran to come and speak with your class/school, please fill in the following information to help us provide a speaker for you!

Contact Teacher Name: _____

Teacher phone # and email: _____

School Name: _____

Grade level(s) interested: _____ **# of students:** _____

*Some veterans can speak to larger groups if for example you would like to have all sixth grade classes in the cafeteria.

Please remind your students prior to the veteran visit to be **respectful** and that this is a very serious topic for many of our veterans. They have volunteered their time to bring history to life in classrooms and they deserve to be treated with that respect. Many of them are uncomfortable answering certain questions so we ask that you submit 5-10 questions that the students will ask in advance so the veterans can properly prepare. Talk with your students and have them come up with some questions and then submit the ones you feel are appropriate. These will need to be sent to Amy King at aking1@tularecounty.ca.gov

If you can give us three possible dates and times we can do our best to find a veteran with matching availability:

Option 1: _____

Option 2: _____

Option 3: _____
